SOFO Sharks Waiver of Liability and Release – Parent/Child

IMPORTANT – THE FOLLOWING MUST BE COMPLETED BY A PARENT if participant is under the age of 18 years.

I, _____, am the parent/guardian of the child named below, and I understand and acknowledge that boating, fishing, and data collection are a large part of the SOFO Sharks program and that the above activities are physically and emotionally demanding and involve significant risks and hazards. My child is fully capable of participating in these activities, and so my child and I assume all the risks of accident, injury, and loss of equipment. In addition to the risks inherent in offshore fishing, ocean exploration, and cold-water ocean travel, there are also numerous other unpredictable hazards and stresses.

I voluntarily and willingly choose to have my child engage in at-sea activities and fully understand and accept the risks associated with them. I also understand that while SOFO Sharks captains, biologists, and researchers have first aid training, they are not trained in extensive emergency medical procedures, and that in the event of a serious medical emergency, treatment may be several hours away. I give my permission to SOFO Sharks and its captains, biologists, and researchers involved in the program to seek additional emergency medical treatment for my child in the event that my child is injured or hurt and, in the opinion of those present, my consent cannot be obtained in a reasonable period of time, given the circumstances.

My child agrees to exercise all necessary caution during any instructions and to obey the safety requirements of those assisting him/her. I also agree to inform SOFO Sharks captains, biologists, and researchers of any significant aspects of my child's physical condition or medical history that might increase the risk to him/her or others.

I _____ (Parent/Legal Guardian) hereby give permission to SOFO Sharks and its team members to administer medical treatment deemed reasonable or necessary by them in the event of any injury to _____ (Participant's Name) while participating in SOFO Sharks programs.

Also, in consideration of services, I hereby release: SOFO Sharks team members, SOFO directors and employees, SOFO Board members, and each and every landowner upon whose property an activity is conducted, from all liability and waive any claims for damage arising from any cause whatsoever.

SOFO Sharks Gear List

Please come prepared with clothing that will keep you safe and comfortable during your adventure. The weather can change quickly on the water, and the ocean temperature will vary. All items on this list are important and should be brought to the program! Weather above the waves can also vary from a sunny 80°F day to a foggy, windy day in the 50's. Temperatures on the water can often be 20°F cooler than ashore. Dress for extremes and you will be comfortable. Layers are your best friend.

Day Trips:

- Daypack/backpack
- Short-sleeved shirts (preferably non-cotton)
- Nylon or synthetic swim trunks or bathing suit
- Rain gear – jacket and pants
- Windbreaker
- 2 reusable water bottles
- Snacks/food for the day
- Sunscreen (sunlight reflects off the water - use SPF 30 or higher!)
- Sunglasses with straps (if you wear glasses, please bring a strap)
- Baseball cap or sun hat
- Water shoes or boots – close-toed only
- Bug spray
- Journal and pen
- Any medications you will need for the duration of the program

List of what NOT TO BRING:

- Open-toed sandals or shoes
- Cigarettes, alcohol, or drugs (SOFO Sharks has a Zero Tolerance policy)
- Weapons: this includes knives or any sort of item that could be considered a weapon

→ Remember that you are responsible for carrying your own gear, so please pack only what you can carry. We suggest duffle bags, backpacks, or dry bags to hold your belongings.

→ ****PLEASE LIMIT YOUR COTTON CLOTHING!** Cotton/jeans take a long time to dry and do not retain any warming properties when wet. Polyester, synthetics, nylon, fleece, and wool are all great options. Students can bring cotton clothing to change into at the end of the day.**

→ There is no need to buy new clothing for the program. If you find yourself in want of some items, however, you can find good non-cotton clothing at Goodwill, Salvation Army, or LL Bean.
